

Cevalo Riding Academy

Member Agreement

I have read and understand Cevalo's Barn Rules and agree to abide by the rules at all times.

As a representative of Cevalo, I will be friendly and polite to Dr. Novick and his family and be respectful of their property, equipment, and animals. I will not visit, pet, or feed the goats or Dr. Novick's horse and will not enter the pastures surrounding the house for any reason.

I understand that this is a family facility and will do my best to ensure that my behavior is an appropriate role model for others.

If Dr. Novick or any member of the Cevalo staff asks me to do something (or stop doing something), I will.

I'm here because I like being here and want to have fun with others who share my love of horses!
